LBCF appoints Dennis Boyer to its Board of Trustees

The Laguna Beach Community Foundation (LBCF) announced this week the appointment of Dennis M. Boyer to their board of trustees.

Boyer is the Chairman of PrestonClarke & Company and has over 20 years in executive search specializing in CEO and senior officer positions in the hospitality, leisure and travel industries. Additionally, he's volunteered his time on a number of CEO searches for nonprofit trade associations, educational entities and destination marketing organizations.

Boyer and Community Foundation Board Chair Rick Balzer are longtime friends and volunteered together at the Laguna Art Museum. It was during this experience that Boyer first discovered the workings of community foundations and their important role in managing trusts and assisting nonprofit organizations.

"I am truly fascinated by community foundations and am very excited to be a part of the Laguna Beach Community Foundation's success going forward," said Boyer.

He looks forward to sharing his corporate background and experience with the organization and recently volunteered his time on LBCF's search committee for their new executive director.
