Happy Planters!

This past Monday, members of the Laguna Beach Garden Club joined forces with the Laguna Beach Beautification Council, Laguna Nursery, and the Laguna Beach Sister Cities Association (all shown above) to install a Sister Cities garden in Heisler Park. The land for this project was unanimously granted in March of 2009 by the Laguna Beach City Council.

The Sister Cities represented in the garden are Menton, France; San Jose del Cabo, Mexico; and St. Ives, England. Each of these gardens has plants representative of those specific cities.

The Sister City Garden Project is primarily funded by the Laguna Beach Garden Club with a portion of a grant from the Laguna Beach Community Foundation in partnership with the Massen Greene Foundation.
